

“ This has been one of the most interesting and knowledge gaining sections I have ever been to. I get to learn more information and examples which I can use in my trainings later. ”

Akfash Ahamed Abdul Latibu | Tech One Global Limited, Trainer
TOT, 18 - 21 July 2011

“ The training helped us to gain knowledge about ethical values that we must have as a trainer. It also helped us to be more confident in conducting the IC CITIZEN training. I think this programme should be introduced to students in the first year of secondary school because this is the time where many of them have their own mobile laptop. At this stage, it is crucial to emphasise the danger using Internet inappropriately. ”

Mohamad Zuno Kartono Hj Ali | Sekolah Rendah Rimba, Gadong, Brunei, Teacher
