

Testimonials

“ The Training-of-Trainers helps me to understand the module better, especially when working in groups and producing the portfolio. That was fun!!! ”

Nadiah Binti Mohamadi | Universiti Teknologi MARA (UiTM) Lecturer
TOT 1, 18 - 21 July 2011

“ I think students should go through this programme so they can become wiser Internet users. IC CITIZEN Certification programme will also benefit them when applying for any jobs. ”

Andrialis Binti Abdul Rahman | Universiti Teknologi MARA (UiTM) Lecturer
TOT 1, 18 - 21 July 2011

“ IC CITIZEN certification can enhance students knowledge on Internet literacy, instill a good value and ethics. It can also add value on students resume for employment opportunity and career advancement. ”

Norraidah Abu Hasan | Universiti Teknologi MARA (UiTM) Lecturer
TOT 1, 18 - 21 July 2011

“ This certification programme can educate my students to become more responsible and accountable for every action they did during online. I encourage all my students to go because it can increase their awareness especially on the effect of being unethical during online. ”

Farihah Hasan | Universiti Teknologi MARA (UiTM) Lecturer
TOT 1, 18 - 21 July 2011

“ The Training-of-Trainer session was very good and help built my self-confident. ”

Nasyairi Mat Nasir | Universiti Teknologi MARA (UiTM) Lecturer
TOT 1, 18 - 21 July 2011

“ All final year students should take the IC CITIZEN certification programme because they can use the certification to apply jobs . ”

Mohd Arif Marhani | Universiti Teknologi MARA (UiTM) Lecturer
TOT 1, 18 - 21 July 2011

“ The Training-of-Training session has guided me how to conduct the training in different ways. The activities have helped me to improve myself to be a better trainer.

I sincerely believe by taking this IC CITIZEN certification, students will be more responsible when access Internet and enhance their knowledge to avoid any unethical behaviour during online. The certification will certainly help them when applying for job; giving them extra advantages and proof that they are responsible Netizens. ”

Tengku Amran Tengku Mohd | Universiti Teknologi MARA (UiTM) Lecturer
TOT 1, 18 - 21 July 2011

“ Students use Internet neatly everyday. IC CITIZEN would ensure that participants use Internet wisely, beneficially with appropriate moral values and responsibility. IC CITIZEN Certification also serves as an added-value addition to student’s academic certificates - useful in Interview. ”

Firdaus Ahmad Fauzi | Universiti Teknologi MARA (UiTM) Lecturer
