IC3® Certiprep

for the Internet and Computing Core Certification (IC3®)

CERTIPORT®

Prepare your students to pass their IC3 exams and to compete in the digital world

CERTIPREP FOR IC3 GIVES YOUR STUDENTS THE KNOWLEDGE AND CONFIDENCE THEY NEED

If your students are focusing on a future in computers, or any field that requires the use of computers and the Internet, the credential that validates their digital readiness is **Internet and Computing Core Certification (IC3)**.*

Several steps lead up to certification in digital literacy: understanding the students' beginning skill level, training, practice, study and, finally, passing the IC3 exams! **Certiprep for IC3** is the practice solution that best prepares students for the testing experience. It enables test takers to perform with confidence by:

- Familiarizing them with exam objectives, format and content
- Letting them practice with questions like those on the actual IC3 exam
- Providing feedback on their current mastery of the subject matter
- Exposing areas of weakness for remedial training
- Reducing their fear of taking the actual IC3 certification exam

Certiprep for IC3 from Certiport is simply the most comprehensive, authentic practice solution available for the IC3 exams.
