VISUAL COMMUNICATION
USING ADOBE® PHOTOSHOP®

CREATE A BRIGHTER CAREER PICTURE FOR YOUR STUDENTS

Around the globe, the shortest path from imagination to imagery is Adobe® Photoshop® software. Ideal for photographers, graphic designers, and web designers, this industry standard application delivers the richest, most robust editing and compositing tools available. As a result, proficiency in Adobe® Photoshop® is one of today's most sought after skills. Now, your students can be easily tested and certified in these basic skills through the Visual Communication using Adobe® Photoshop® certification exam.

EASILY ADMINISTERED EXAM REPLICATES APPLICATION EXPERIENCE

The Visual Communication using Adobe® Photoshop® certification exam validates entry-level skills needed to plan, design, build, and maintain effective communications corresponding to the Adobe® Photoshop® application. You can incorporate the exam into your current courses to measure success, or access free curriculum from Adobe® Education which maps to the exam objectives.
