Campus License

For education providers in all areas, the ACA Campus License will mean lower costs, expanded implementation, increased control, and simplified budgeting.

Certiport Education customers can now offer Adobe Certified Associate (ACA) Exams through an innovative one-year license. With the ACA Campus License, your institution can conduct unlimited online ACA testing on campus. The affordable once-a-year fee makes it easy to budget all your tests. Because there is no per-test cost, your campus can economically provide all the exams required to ensure student certification - your costs are capped. Best of all, it only requires one approval per year.

With the ACA Campus License, you can afford to implement testing across all your programs and courses. What's more, if you decide to cover the annual cost through student fees, the Campus License can become a profit center for your school. The Campus License also enables you to extend testing to your instructors as part of a Professional Development program

or provide testing services to the community.

Key Advantages of Campus License Agreement:

- Budget benefits. With the economical one-time fee, you only have to budget one fixed cost each year. There is never any need to undergo the approval process for additional test funds.
- Expand to all students, unlimited usage. With unlimited license, students can be drawn from across all your educational programs without any price barrier, restriction or scheduling conflict.
- All exam versions included. Your students and instructors can certify on current skills and migrate to new versions without any additional costs to your classrooms.
- Improved training. Practice tests
