

IC³ Fast Track

Q: What is the IC³ Fast Track Assessment?

A: The IC³ Fast Track is an assessment exam to provide a quick overview of an individual's overview of Digital Literacy skills.

Q: Are the IC³ Fast Track mapped to the IC³ standard?

A: The IC³ Fast Track assessment is based on the globally recognized IC³ standard. Each question in the IC³ Fast Track addresses the objectives of the IC³ standard.

Q: How can I tell if an individual has passed the IC³ Fast Track?

A: The IC³ Fast Track does not give individuals a pass or fail score. It will report on how the candidate performed on each question, allowing you to determine what you feel is a valid cut score or passing grade depending on the requirements of your institution.

Q: What language is the IC³ Fast Track available in?

A: The IC³ Fast Track is available in English.

Q: What kind of reporting is available with the IC³ Fast Track?

A: Because of the nature of the assessment, there is reporting available that will give the administrators a number correct and number incorrect for each student. The assessment also provides many summary or detail reports to enable administrators to track a student's progress for each of the objectives

Q: How many questions are in the IC³ Fast Track?

A: There are 73 questions in the assessment. These questions are broken out to address the IC³ objectives in Computing Fundamentals, Key Applications and Living Online.

Q: Will individuals be taking the same assessment each time?

A: No, questions will be randomized each time. The assessment will be unique pulling from a bank of questions.

Q: Is the IC³ Fast Track timed?

A: Yes, the IC³ Fast Track is timed. Candidates have 60 minutes to complete the assessment.

Q: Who should be using the IC³ Fast Track?

A: Any organization that is interested in gauging the Digital Literacy skills of their employees, students or potential job candidates.

Q: How can I purchase the IC³ Fast Track assessment?

A: Contact your sales representative at 1-800-488-9371.
