Microsoft Technology Associate (MTA)

MTA is Microsoft's entry level training and certification on the fundamentals of technology Infrastructure, Database and Software Development. Pass just one exam and you'll earn an MTA certification, taking your first step toward building a career in technology—or enhancing your career in business. MTA Tracks prepare you for hands-on product learning, whether it's in an entry level job, in the classroom, or through self-study.

Explore Gaming Development

Validate your skills in Game Design, Hardware, Graphics and Animation development | **Exam 374:** Gaming Development
