

Frequently Asked Questions

Q: What is the IC³ Practice Test?

A: The IC³ Practice Test is a simulation of the IC³ certification exams. It is designed to help people prepare to take the certification exams and experience the IC³ certification exam without taking the actual test.

Q: Are the IC³ Practice Test questions mapped to the IC³ exam questions?

A: The IC³ Practice Test questions are mapped to the IC³ standards. The questions may be similar to the questions on the actual IC³ certification exams, but they will not be exact replicas of the certification exam questions.

Q: What score do I need to receive on the practice test before taking the IC³ exams?

A: We recommend that people score from 85% - 90% on each of the IC³ Practice Tests before attempting the IC³ certification exams. However, scoring from 85% - 90% does not guarantee that a person will pass the IC³ exams.

Q: What language(s) is the IC³ Practice Test available in?

A: The IC³ Practice Test is only available in English.

Q: What kind of report is available with the IC³ Practice Test?

A: The IC³ Practice Test report will give people a breakdown score that tells how they performed on the various subject areas. For example, the report will provide a percentage score that shows on the candidate's knowledge of hardware, software, operating systems, etc. The report will also provide some general recommendations for what the candidate should review before taking the practice test again.

Q: Is the IC³ Practice Test timed?

A: Yes, the IC³ Practice Test is timed, but people can take as much time as they want on the test. We recommend that candidates try to finish the practice test within 45 minutes, since that is the amount of time they are allowed for the actual certification exams. The practice test does not require a proctor and does not need to be taken at a Certiport testing center.

Q: Who should take the IC³ Practice Test?

A: Anyone who is interested in taking the IC³ certification exams should take the practice test first.

Q: How many times can I take the IC³ Practice Test?

A: There is no limit on how many times a person can take the practice test.

Q: Are there additional resources to help me prepare for the IC³ certification exams?

A: Visit www.certiport.com to see our courseware and training options.

Q: How can I purchase the IC³ Practice Test?

A: If you are a testing center or partner, please contact your Certiport Representative at 1-800-488-9371 to purchase practice exams. If you are a test candidate, please contact your local testing center to purchase an IC³ Practice Test, or go to www.certiport.com to search for a center in your area.
