# Microsoft Technology Associate
Campus License

The MTA Campus License allows your institution to administer up to 500 exams across departments, anywhere on campus. Certify your students, as well as faculty and staff all from the same license for just a few dollars each.[1]
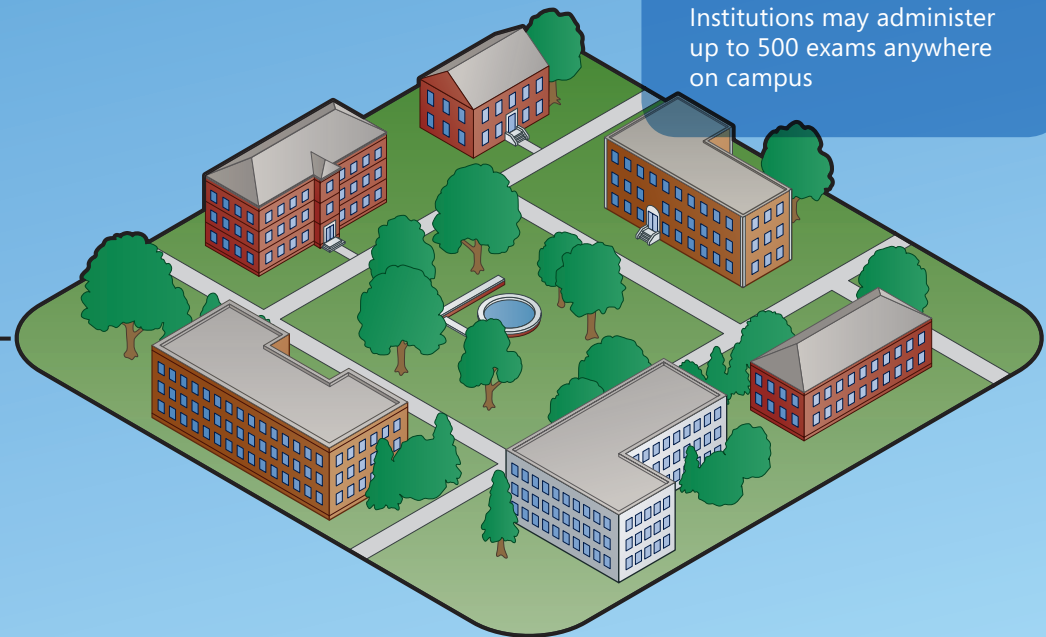

Find out how easy it is to integrate industry recognized Microsoft exams into your learning curriculum and help prepare students for a career in technology!

[1] Based on 30% or more consumption of the one-year license agreement.
